RE: Public Records Request – Join Operation/DEA

Dear Attorney Rossman,

This letter is in response to your public records request dated September 9, 2013 and forwarded to the City's law department on September 13, 2013 for a response. You requested "all records in your possession relating to any official and unofficial agreement with the DEA (and all sub-agencies, including the SOD); information sharing agreements and other records about information sharing; records of communication concerning the sharing of intelligence information; policy guidance pertaining to the Springfield PD-DEA relationship and the use of DEA-derived information or intelligence; records of communication concerning the SOD; and database access to records."

Please find enclosed the responsive records from the City of Springfield.

Should you be aggrieved by this response, you may appeal to the Supervisor of Public Records in the Massachusetts Secretary of State's Office pursuant to 950 CMR 32.00 and G. L. c. 66, § 10(b).

Please contact me with any questions.

Very truly yours,
