Hello Larry,

Attached is the inventory items we will need to view for our 3/27 meeting. At 10am.

The Inventory items we will need to see is broken up into 3 groups.

Armory, Administrative, vehicles.

It may be best for us to start at the Armory while you review the Admin inventory list on page 2. The Admin items are located across your facility and you would know best what areas are near each other, or what route is best to take. Also, I am having trouble printing the attachment. Could you kindly print the attachment for Keri and I? I was hoping to get this list to you sooner, but was unable to compile it in time.

Thank you so much.

Lou
