Larry,

Thank you for getting back to me so quickly.

I have another question regarding ICE, regarding the inmates that were being guarded at another facility. First, do the guards have to be under this 278G, or can it be any guard? Second, were you or will there be a reimbursement for their overtime?

I've been through the ICE contracts a couple times, but I'm really trying to see if your incurring any additional costs. It sounds like you might be based on our conversations.

I appreciate your support and hope you have a good weekend.

Thank you,

Kerri-Ann Hanley
