Hi Larry,

As we spoke about this AM, I attached an excel file for 39 of the top overtime earners.

I understand this will be a time consuming task for you, and I appreciate your effort ( blame the State police)

- 1- We will need one pay period for each of the 39 people.
- 2- The pay period chosen must be one with OT in it.
- 3- Please include any of the original low level OT approvals for that person/period ( watch commander, communications, etc).  
Plus anything else that might be appropriate for that OT approval.
- 4- I see a few low level CO's got some over time too, is there any trail I'll be able to follow that shows the OT was first offered to higher ranks first? as you mentioned before?

If multiple people of the selection have OT in the same pay period, that will be ok and may help to save some time. Just as long as we can get a mix of samples of pay periods from FY 16, 17 and first half of 18 (7/1/15 to 12/31/17)

Thanks again!

Louie
