Subject: Employee CORI checks

Hello Larry,

The following request was part of my IT testing, however, I feel that it should be directed to you.

Your IS policy 5.01.11 states that CORI requests are required for BCSO employees.

Could you provide documentation stating that a CORI has been performed for the following 25 employees upon hiring.

I know the actual CORI is destroyed upon running. But I think there is a receipt you may have kept?

If you do not have those receipts, a signed document stating a CORI was performed for those 25 employees will suffice.

Thank you.
