Hi Lou,

Heavy wet rain and wind here. I have asked IT staff to review and provide the information.

Good afternoon Larry.  
Hope you are staying dry! Still no snow yet in Boston, but its expecting to change later today.

I have attached a word document with the IT requests we spoke about. Most likely your IT officer will know exactly what I am requesting. If they are unsure, I can give examples from another audit . But I suspect they will know exactly what I refer too.

Thanks again for your continued help in obtaining all our requests so quickly.

Lou
