Subject: Info Request

Hi Larry,

I'd like to request information regarding inmate programs and services:

(Educational, vocational, substance abuse, rehabilitation, reentry, and community programs)

1. Do you collect the data on the number of program participants for all the programs offered? (Both Male and Female)
2. What is the process for signing up or requesting program services?
3. Do the programs have participant enrollment waiting lists? Do the programs have a maximum number of participants? How often are the programs available for new enrollment?

OTHER:

- Can you send us the metric on the cost per day of an average inmate?
- Do all inmates receive a work assignment?
- What are the types of work assignments?
- Do you collect data on the number of inmates with/without work assignments? (Male and Female)

I appreciate your continued support.

Thank you,

KERRI-ANN M. HANLEY
