Subject: Capacity

Hi Larry,

I have a fast question regarding capacity.

The PREA report stated the BCSO was designed for a total capacity of 721.

I am assuming they were including the ICE capacity?

Please correct my numbers if they are inaccurate.

566 total rated capacity (includes 206 at Ash st)

Plus 155 ICE capacity?

I know you had the added buildings put in, so my numbers might be inaccurate.

Thanks

Lou
