This is a follow up to our phone conversation last week regarding the tour of the Smith and Wesson facility for the IAWG.

I'd like to pencil in Thursday June 18th, for the visit. I'll work up an announcement/flyer and let you take a look at it before I send it out. One of the things I'll mention is that I need to provide a list to you of the attendees and that they'll need to allow time to check in at the security point

I appreciate your help in this and I think there will be a good response from the group.

Please call if you have any questions or need more information.
