Re: Public Records Request

Dear Attorney Masny-Latos:

Pursuant to G. L. c. 66, § 10 (b), this correspondence is to confirm receipt of your request for documents that are potentially in the possession, custody or control of the Boston Police Department. We will contact you as soon as possible with our findings, and will send you a cost estimate for your requested materials if fulfilling the request is expected to exceed \$10.00, per 950 C.M.R. 32.06(1); 950 C.M.R. 32.03; M.G.L. c 66 § 10(a).

Please be advised that we research each request in the order it was received. If your request requires a substantial amount of research, reviewing and redacting, fulfilling the request will take a significant amount of time.

If there is a discovery deadline, hearing, arbitration, mediation or trial date involved with your request, please respond to this letter with date and docket number so that we may work with you to expedite your request accordingly

Sincerely,

Re: Public Records Request

Dear Attorney Masny-Latos:

Pursuant to G. L. c. 66, § 10 (b), you have requested: "Any document containing information on Susan Barney, Ridgely Fuller, Richard Hess, and Patrick Keaney, including but not limited to suspicious activity reports, incident reports, arrest reports, field investigation and observation reports." You have also requested "any document containing information on whether the Boston Police Department or BRIC shared or made available to any other law enforcement or intelligence agency (including but not limited to the Commonwealth Fusion Center, FBI Joint Terrorism Task Force, Federal Bureau of Investigation, or Department of Homeland Security) documents concerning Susan Barney, Ridgely Fuller, Richard Hess, and Patrick Keaney."

Please be advised that the information you have requested is not public record. Your first request for incident reports relating to the above named individuals, resulting from an incident on January 8, 2009, contains CORI information which the Department is prohibited from disseminating. *See Mass. Gen. Laws c. 6 s. 172.* Any other incident reports where any of these individuals were arrested would also contain CORI information. Any reports where they were identified as victims or witnesses would be exempt from disclosure in the interest of protecting their privacy, as there is no indication from your request that you represent them. *See Mass. Gen. Law c. 4 s. 7 ss. 26(c).*

Field Interrogation Observation and Frisk and/or Search Reports (FIOFS) reports are also not public records because they contain intelligence and investigatory information that must be kept confidential. *See Mass. Gen. Laws c. 4 s. 7 ss. 26(f).* This classification has been upheld by two recent opinions of the Secretary of State's Office. Finally, with regard to your request for suspicious activity reports and any documents containing information on whether the Department shared any information on these individuals with other law enforcement agencies, this information is also exempt from disclosure under public records law. *See Mass. Gen. Laws c. 4 s. 7 ss. 26(f).* The requested information, which is compiled and maintained by the Boston Regional Intelligence Center, must remain confidential as it also contains intelligence and investigatory information. If the Department is required to release this information to the public, it will weaken effective law enforcement and serve to prejudice the investigative efforts of the Department, which would not be in the public interest.

Sincerely,

*Re: Response to your letter dated May 13, 2010 in relation to Public Records Request/January 2009 protest & Palestinian Human Rights Activists*

Dear Attorney Wall:

Thanks you for your reply to our request of March 29, 2010, under the Public Records Law, Mass. Gen. Laws ch. 66, §10 for **documents made or received by the Boston Police Department ("BPD") and Boston Regional Intelligence Center ("BRIC")**. This request, as you may or may not recall, was seeking documents regarding the legal free speech and associational activities of Susan Barney, Ridgley Fuller, Richard Hess, and Patrick Keaney.

In your letter you state that any such documents might contain what you refer to CORI information. Further, you express concern that there is no evidence that we represent Ms. Barney, Ms. Fuller, Mr. Hess, and Mr. Keaney. You may rest assured; we do in fact represent these four individuals. Therefore, any CORI confidentiality would be rendered moot as to any reason for non-disclosure.

Please provide the requested records forthwith.

Thank you for your assistance.

Sincerely,

---
