Bri,

Yes, I have 32 also. I just spoke with Essex and Hampshire. Please add Dave Mareschalchi and a staff member from Essex and add John Clevenger and a staff member from Hampshire. This should total 36. Is that correct?

Thanks,

Patty

Good morning Patty,

I've added the three attendees from Norfolk County and one from Bristol County. As of right now (not including the key project people attending from MSA, Bl2 & Animetrics), I have a count of 32 people attending. Does that match your count?

I'm sending along blank name badges and some extras of everything so any last minute attendees can create their own. I am leaving the office today around 2/2:30 p.m. – any changes to be made will need to come in before then.

Please let me know if anything is needed in the short term – I'm leaving shortly to get the Power Points printed so if anything comes up I will respond upon my return.

Thanks,
