# PROJECT BACKGROUND

- ❖ Essex County currently utilizes facial recognition technology but wishes to upgrade and expand the system.
- ❖ The Massachusetts Sheriffs' Association (MSA), in conjunction with Essex County, obtained a grant to fund the project.
- ❖ The staff of the MSA would like to acknowledge and thank Sheriff Frank Cousins and his team in Essex County for their leadership and remarkable effort on this program. Sheriff Cousins' secured the funding and has provided the technical and business support and resources necessary to make this initiative a reality.

# **PROJECT BACKGROUND, CONTINUED**

- ❖ **MSA issues Invitation for Responses (IFR) to upgrade the system at Essex County and to install technology at Barnstable County, Berkshire County and a select number of police departments in those counties.**
- ❖ **BI2 partners with Animetrics, Inc. to use their facial recognition technology.**

BI2 responds with an aggressive proposal to expand the system to include all of the counties in the state.
