Hello Sean:

I just left a message with your AA at your office in Plymouth. I am looking to just check in w/ you regarding the first set of deliverables under our Contract.

To Re-confirm from here at the MSA: The location of the proposed Statewide Announcement Kick-Off Meeting proposed by George Connolly, i.e. The Hampton Inn in Auburn, MA on Interstate 290 is acceptable to the MSA. I noted this to your AA – Bri Blakeman – on April 09 after receiving Bri's e-mail of April 08 regarding same. (I cc'd my response to your attention.)

I would like to proceed ASAP with announcing this to the fourteen Sheriffs' Offices/staff as we agreed to in the Implementation Plan. If we need to work with a different date than what we had agreed to – May 04 – that will be acceptable to the MSA as well; just so long as we get the Meeting/Kick-off executed prior to the regularly scheduled MSA Meeting in Billerica on May 13.

By the noted original Implementation Plan, I was to issue the announcement on April 05. In order for me to do so, however, I still need and wait BI2's submission of a DRAFT letter (to the MSA) for the MSA to send to all Sheriffs' Offices and Departments that will explain the Project in detail – including, as we discussed on March 29 – key dates, deadlines, milestones and Sheriffs' Office responsibilities.

I just wanted to make sure there was a record of this communication. Please call when you have a second to do so.

Thank you,

James F. Walsh, Executive Director

Hello Sean:

I just left a message with your AA at your office in Plymouth. I am looking to just check in w/ you regarding the first set of deliverables under our Contract.

To Re-confirm from here at the MSA: The location of the proposed Statewide Announcement Kick-Off Meeting proposed by George Connolly, i.e. The Hampton Inn in Auburn, MA on Interstate 290 is acceptable to the MSA. I noted this to your AA – Bri Blakeman – on April 09 after receiving Bri's e-mail of April 08 regarding same. (I cc'd my response to your attention.)

I would like to proceed ASAP with announcing this to the fourteen Sheriffs' Offices/staff as we agreed to in the Implementation Plan. If we need to work with a different date than what we had agreed to – May 04 – that will be acceptable to the MSA as well; just so long as we get the Meeting/Kick-off executed prior to the regularly scheduled MSA Meeting in Billerica on May 13.

By the noted original Implementation Plan, I was to issue the announcement on April 05. In order for me to do so, however, I still need and wait BI2's submission of a DRAFT letter (to the MSA) for the MSA to send to all Sheriffs' Offices and Departments that will explain the Project in detail – including, as we discussed on March 29 – key dates, deadlines, milestones and Sheriffs' Office responsibilities.

I just wanted to make sure there was a record of this communication. Please call when you have a second to do so.

Thank you,

**From:** James F. Walsh, Executive Director  
**Date:** April 14, 2010  
**Re:** Preliminary announcement - - Kickoff of the MSA law enforcement sharing network project

The MSA has contracted with BI2 Technologies, LLC of Plymouth, MA to implement the federally funding expansion of the existing Essex Sheriffs facial recognition technology program into the other MA Sheriffs offices. I will have a report on this matter at our upcoming May 13 MSA meeting in Middlesex County.

In the meantime, may I kindly note that a project kickoff meeting for this initiative has now been set for Wednesday, May 12 at the Hampton Inn, off of Interstate 290 in Auburn, MA.

I kindly ask that you plan to send one or more staff members who deal with technology topics to this noted kickoff meeting. More details to follow as soon as possible.

Jim
