Re: Public records request #130408

Dear Ms. Crockford:

I am writing in response to your letter dated April 4, 2013. This office has determined that there are documents responsive to your requests 1 and 2, and partial records regarding your requests 3, 4, and 7. The costs of this public records search follow:

Search & redacting	3.5 hours	\$15 per hour	\$52.50
Attorney review	45 minutes	\$18.75 per hour	\$14.06
Total			<u>\$71.25</u>

I am operating under the assumption that you would prefer to receive searchable PDF files of the responsive documents. If not, there will be additional costs for copying and postage.

Regarding your requests 5 and 6, this office does not track that information. Presumably, this office could attempt to find, copy, and redact all administrative subpoenas it has sent. The cost would be substantial.

Regarding your request 8, I am aware of one such motion, however due to the fact that it is under seal, I am unable to provide you with any other information. Finally, as to your request regarding 9, absent reviewing all case files since 2011 to search for such motions, there is no way to be certain whether there are responsive documents. Again, the cost for such a search would be substantial.

Please send a check for \$71.25 to my attention, made out to the Suffolk County District Attorney's Office. Please write the public records request number above on the check. Upon receipt of payment, your public records request will be processed. If this office does not hear from you within a month of the date of this letter, this request will be considered closed.

Sincerely,
