**Re: Your Public Records Request**

Dear Attorney Crockford:

I write in further response to your public records request received on February 10, 2017 and made pursuant to the Massachusetts public records law, G.L. c. 66, § 10. You requested copies of records held by the Office of the Attorney General (AGO), specifically as follows:

1. Any written description of the procedure for approval of the issuance of an administrative subpoena by the [A]ttorney [G]eneral pursuant to the provisions of § 17B;
2. A sample form of a § 17B administrative subpoena used by the [O]ffice of the [A]ttorney [G]eneral;
3. Records showing the number of § 17B administrative subpoenas issued by the [A]ttorney [G]eneral in each year for the years 2014, 2015, and 2016;
4. Records showing the particular offenses or category of offenses which were the subject of "ongoing criminal investigations" justifying the issuance of a § 17B administrative subpoena in each year for the years 2014, 2015, and 2016, and the number of such subpoenas issued for each offense or category of offense;
5. Records showing whether in any case the recipient of a § 17B administrative subpoena was requested not to disclose to the subject of the records that a subpoena for his records had been received;
6. Records showing the names of the common carriers or services providers to whom § 17B administrative subpoenas was issued by the [A]ttorney [G]eneral and the number of such subpoenas issued to each in each year for the 2014, 2015, and 2016;
7. Any motions to quash a § 17B subpoena which have been filed since January 2014; and
8. Records showing the name and court docket number of any case in which a motion to suppress evidence obtained as a result of a § 17B subpoena has been filed.

In a February 27 letter, we explained that we were in the process of gathering and reviewing records that may be responsive to your request and subject to disclosure under the public records law, which included identifying and, as required by law, segregating any information that may be protected by law. Today, we have completed that process and respond to the various parts of your request as follows.

As to Parts One (1), Seven (7), and Eight (8) of your request, please be advised that the AGO has no responsive records.

As to Parts Two (2), Three (3), Four (4), Five (5), and Six (6) of your request, we enclose seventy-two (72) pages of records which may be responsive and are subject to disclosure under the public records law, G.L. c. 66, § 10 and G.L. c. 4, § 7, cl. 26. Please note that, as we indicated would be the case in our February 27 letter, the records have been redacted in accordance with G.L. c. 4, § 7, cl. 26 insofar as they contain information that: (a) is specifically or by necessary implication exempted from disclosure by statute (G.L. c. 6, §§ 167, 172 (Criminal Offender Registry Information)); (b) related solely to internal practices of the AGO, to the extent that proper performance of necessary government functions requires such withholding; (c) is, based on the allegations being investigated, highly sensitive in nature and relates to a specifically named individual, the disclosure of which may constitute an unwarranted invasion of personal privacy; and (f) consists of investigatory materials or techniques necessarily compiled by law enforcement outside of the public view, the disclosure of which would so prejudice the possibility of effective law enforcement by releasing information about the nature and course of investigations and investigatory techniques that such disclosure would not be in the public interest. Please note that a limited number of data columns that are exempt from disclosure in their entirety have been withheld on the same bases.

The public records law permits a custodian of public records to charge requesters for certain costs associated with responding to public records requests. *See* G.L. c. 66, § 10(d); and 950 CMR 32.07. Further, G.L. c. 66, § 10(d)(ii)(B) provides that no fees shall be charged for the first 4.0 hours of labor required to respond to a request. In this instance we have decided to waive the \$275.00 in chargeable fees for the 11.00 hours of labor to respond to your request.

You have the right to appeal this response to the Supervisor of Records pursuant to G.L. c. 66, § 10A(a), and to seek judicial review of an unfavorable decision by commencing a civil action in the superior court under G.L. c. 66, § 10A(c).

Very truly yours,
