While assigned to the Gang Unit and patrolling the area of Acushnet Avenue in the north end of the city, my partner for the evening, Det Shawn Robert, and I heard a broadcast from other members of our unit that they were in pursuit of a male with active warrants for his arrest. The male [REDACTED] is a validated member of the Nine Trey Gangster Blood street gang and is very familiar to members of this unit. Detectives Paul Fonseca and Trevor Sylvia stated that the male ran into an alley at the above location before they lost sight of him. While looking in the lot adjacent to the alley, we located the above two males, [REDACTED] and [REDACTED] who are also validated members of the same gang. Warrant checks were performed on both parties and came back negative. They were removed from the area.

Sir,

On the above date and time while assigned to unit 31A with Ofc. S. Conceicao we were on patrol in the area of 122 Sawyer St. the Market Basket parking lot. While driving around the lot we noticed a black vehicle parked in the back lot in a dark corner by the river. As we approached the vehicle we observed a single black male in the vehicle, we also noted the vehicle had a registration plate [REDACTED] from Illinois.

We continued to patrol the area and a short time later observed the same vehicle exit the lot and head West of Sawyer St. At this point we noted the vehicle had the drivers side break light and the license plate light were out. At this time we stopped the vehicle for the infractions.

We spoke to the operator [REDACTED] who stated that he had just moved to massachusetts three weeks ago looking for work and was waiting for labor ready to open. [REDACTED] stated for the mean time he is living out of his car because he has no family in the area. [REDACTED] stated he was working up in Boston but got laid off so he came to New Bedford for work.

We were unable to locate [REDACTED] the Mass. Registry so I contacted Trp. Gifford who was able to run a III for us. Trp. Gifford stated the [REDACTED] has a long history in Illinois and has been incarcerated for several years for breaking and entering in to residences and businesses.

We returned [REDACTED] vehicle and issued him a verbal warning for the infractions and told him to fix them as soon as possible.

[REDACTED] described as a 5'06" 170Lb black male with black hair in corn row braids, brown eyes and speaks with a southern of mid West accent. The vehicle he was operating is a 2006 Black Buick Lacrosse which is registered to his father.

1 Police Information

Sir,

On the date of Wednesday, May 23, 2012, the undersigned officer was assigned to Unit 36A, a marked police cruiser. The undersigned and other north end officers were enroute to the area of 238 Davis Street in regards to a disturbance. The call notes stated that outside of this residence on the sidewalk, there were approximately four males and two females arguing about drug money. The notes also stated that the caller heard a male say he has a 9mm gun, and that this male was a black male wearing a Chicago Bulls hat with no shirt on. Upon arrival officers observed seven males and one female outside of this residence, none fitting the description of the male with the handgun. The seven males were as follows:

1. [REDACTED]
2. [REDACTED]
3. [REDACTED]
4. [REDACTED]
5. [REDACTED]
6. [REDACTED]
7. [REDACTED]

The female party was a [REDACTED] [REDACTED]. Both [REDACTED] [REDACTED] are validated Blood (Nine Trey Gangsters-NTG) gang members. All parties were wearing red articles of clothing, red being the color of the Bloods gang. When asked what they were doing in front of this residence, they said that a friend lived there. No one was able to provide this friend's name, nor what apartment he lived in. While checking all parties for warrants, [REDACTED] [REDACTED] a member of the Blood Stone Villains, approached the scene stating that all of the above mentioned parties were his friends. [REDACTED] did fit the description given above of the black male with no shirt on and a Chicago Bulls hat on, however upon being pat frisked for our safety no firearm was located on his person. All parties were asked what members of the Bloods were doing hanging around the north end, when they are usually concentrated in the south end area of the city, and all that was stated was that they had gone out for a friend's birthday party, however no one could answer why they were waiting in front of this residence.

Communications informed officers that [REDACTED] had an outstanding warrant for his arrest, and [REDACTED] was placed under arrest (refer to 12-1773-AR and 12-1774-AR for further information). All other parties were told to leave, and all proceeded to walk east on Davis Street towards Acushnet Ave. Prior to these parties being allowed to leave, officers conducted an extensive search of the area, however no firearm was located.

Approximately five to ten minutes later, while travelling on North Front Street, the undersigned observed [REDACTED] again, walking with [REDACTED] another validated member of the Bloods (NTG). [REDACTED] was walking with a limp, stating that he sustained an injury riding a dirt bike. Both he and [REDACTED] were also negative for warrants.

Respectfully submitted,

Sir,

On the above date and time I was the patrol supervisor for Station #2. As part of my duties this night was an order from the Chief to keep an eye out for flower vendors selling flowers on street corners and parking lots. If any were found we where to identify them and make sure they met the following criteria. They were to be on private property, with the property owners permission and have the proper state and local permits.

At the above location I found a man selling flowers. He was located on city property. When I asked him he said he had a permit but didn't have it on him. I explained to him that he was located on city property and it didn;t matter if he had a permit or not, he would have to relocate. The male, identified as [REDACTED] of Worcester Ma., complied and packed up. Before leaving I fully explained the above criteria so that he would not have the same problem in the future,

While patrolling in the area of Ruth St my partner for the day, Sgt Andrew Simmons, and I observed two males that are both validated gang members walking westerly on Ruth St near Ashley St. One of them, [REDACTED] is a validated Nine Trey Gangster Blood, while the other, [REDACTED] is a validated Latin King gang member. I know that part of the terms of [REDACTED] probation is that he stay away from the area of Ruth St and that he not associate with any known gang members. Warrant checks were performed on both parties and came back with negative results. I will be forwarding a copy of this F.I.R. to the probation department for their review.

While patrolling with my partner for the evening, [REDACTED] in the area of Summer and Durfee St, I observed a male walking north on Summer St who I am very familiar with, [REDACTED]. We pulled our unmarked cruiser to the side of the road so that I could speak with him. I asked [REDACTED] about the incident from two nights prior when he was allegedly involved with trying to kick in the door of his ex-girlfriend's apartment on Myrtle St and he stated that he no longer sees her because "she is crazy". The incident resulted in a foot chase with three males, one of which discarded a loaded firearm. Warrant checks were performed on [REDACTED] which came back negative.

Sir,

On the above date and time, I was assigned to U-14C and dispatched 105 Hillman Street on a report of three males trespassing into yards.

Upon arrival, these males were no longer on scene. The complainant stated that they jumped the fence of 92 Hillman Street, I check the yard but to no avail. I then checked the yard that they were in prior to my arrival (58 Thomas Street). No damage or break into this property.

I then checked the area and located three males on County Street that matched the description communications had given out. The three males, [REDACTED] stated that they were only jumping into the yards and were not committing any crimes. I conducted a check for warrants and restraining orders on these males, the results returned negative. I then allowed these males to leave and cleared the scene without further incident.

Respectfully Submitted,
Ofc Jorge M Santos #4002

I observed the black Hyundai parked at the corner of Cottage St. and Willis St. in front of the Quick Pic Convenience Store. [REDACTED] was seated in the driver seat, [REDACTED] was seated in the front passenger seat and [REDACTED] was seated in the rear seat. I circled the block twice and observed [REDACTED] on a cell phone. On the second time around the block, the vehicle had moved 20 feet north, but no one had exited the vehicle. I came back around a third time and observed [REDACTED] crossing Willis St. walking north. He was talking on his cell phone and approaching [REDACTED] [REDACTED] looked over his shoulder and signaled to [REDACTED] to move north on Cottage. [REDACTED] noticed me at the corner and continued walking past [REDACTED] trying to ignore him. I circled the block again and the vehicle was turning south on Summer St, with [REDACTED] back in the vehicle. I stopped the vehicle in front of 144 Summer St. I was unable to locate any contraband on any of the parties. [REDACTED] admitted to going there to buy drugs from a friend of [REDACTED]. They were warned and released. I returned to Cottage St. and observed [REDACTED] standing across the street from Quick Pic. I exited my cruiser and engaged them in conversation. [REDACTED] was extremely nervous, despite the fact that we spoke on many occasions in the past. His cell phone kept ringing, but I asked him not to answer it. It continued to ring and he became more frantic every time he looked at it. The phone continued to ring with the name call. Detective Robert answered the phone, and it was [REDACTED]. He quickly said "watch out, the cops stopped me and they are on to you guys. I stuffed the dope in my ass and they didn't find it. I told them I didn't buy anything. Be careful." We confronted [REDACTED] with the info we had and he became teary-eyed. He asked for his mother. We gave him a ride to his mother's house on Reynolds St. I informed his mother that he was selling drugs to supplement his income. She stated she was going to take his phone away because she paid the bill. She also stated that he lives with his girlfriend in the north end, but is unsure of the address.

Sir,

On above date and time, while assigned to Unit25C, I was conducting a traffic stop on Bedford and Acushnet Ave when I noticed the above males approach my vehicle. I was sitting in the cruiser and I could see [REDACTED] approach the very rear of my cruiser and stop near the trunk. He then bent of the trunk and put his hands behind his back. I could see that the other male [REDACTED] was standing on the curb and appeared to be taking a photo or video of [REDACTED]. As soon as [REDACTED] approached the vehicle, I exited and stepped to the side. I then watched [REDACTED] for a second to see if was going to attempt to touch the cruiser. I then yelled "Hey" to get his attention. He immediately stopped and pulled his hands from his back. Since I was in the middle of my stop I told him and his friend to step back on the curb and wait for me. I gave the operator back their documents and approached [REDACTED] and [REDACTED] I asked both males for their information and checked them for warrants. Both parties came back negative.

I asked [REDACTED] what he was doing behind my cruiser. He made something up about pulling up his pants. When I confronted him and told him I watched him for almost a minute and asked if it took that long to pick up pants, he didn't have a response. Him and [REDACTED] thought it was funny and made a comment about being "mocked". I then asked [REDACTED] if he had some desire to be in the back of the cruiser and if he was taking photos of the cruiser. He immediately said he didn't want to be in the back of the cruiser and said he wasn't taking photos. I then asked [REDACTED] and [REDACTED] to stay away from our cruiser when other Officers and myself are conducting traffic stops. Both parties left and began laughing when they were further away. I then cleared the scene without further incident.

Respectfully Submitted,
Ofc. Williams 3998

On the above date and time while patrolling the west end of the city I received a call from Off Lavar Gilbert. Off Gilbert stated that he and his partner, Off Antonio Pereira, had just received information that two males had just been observed in possession of firearms in front of 193 Chancery St, across from the Temple Landing Housing Development, formerly known as United Front Homes. This area has long been the source of shootings, gang activity, and narcotics distribution. Members of my unit have had numerous encounters with various gang members in front of this address, and it has been the constant source of complaints from neighbors concerning the gang activity out there.

I notified other members of my unit of what Off Gilbert had told me, and requested that they meet us there to assist. Once on scene I recognized numerous gang members who I have had numerous past encounters with that have involved narcotics dealing as well as firearms seizures. Because of the large group of gang members in front of the address, as well as this gang's propensity for violence, I requested an additional unit to assist with the investigation.

Each of the above males, [REDACTED] Eugene Depina, and Joseph Dias were pat frisked for weapons and run for active warrants. None of the above listed males were found to have any weapons on them, and none were found to have any active warrants for their arrest. They were all told to move along and not to congregate in front of this location.

Respectfully submitted,

Det David Brown

Sir,

Responding to a specific complaint regarding an abandon motor vehicle at the corner of Aquidneck Street and West Rodney French Boulevard in New Bedford, Massachusetts. I found the following. As described by concerned neighbors, a blue Jeep Grand Cherokee Laredo bearing Massachusetts registration [REDACTED] was parked on the south side of Aquidneck Street, just east of West Rodney French Boulevard. The vehicle has reportedly been at this location for a period of up to three months. After a mechanical failure, the owner of the vehicle left said vehicle at it's present location and has not returned to retrieve it. It is apparent from debris around the wheels of the vehicle that it has been at this location for sometime. After checking to ascertain that the auto was still at this location, I ran the plate affixed and found that the tag was active to this vehicle with the same VIN, to [REDACTED]. I went by this address at approximately 1230 hrs on August 4th and spoke with a female that identified herself as Leandre's daughter. She stated that he no longer lived at this location and she has not spoken with him in sometime. The last telephone number she had for him no longer worked and at last notice he resided "somewhere in the south end". I told her that the vehicle would be towed within 48 hours if it was not removed, however I cautioned her that, if she spoke with her father or had someone else speak with him, that his license was expired and he should not operate the auto. Leaving this address I proceeded to [REDACTED] a prior address for [REDACTED] as people frequently move back and forth between addresses. A male at this location indicated that "no one by that name lives here".

Shortly after I returned to Aquidneck Street where the vehicle remained, and at 1255 hrs I placed an orange placard on the driver's side window of the vehicle remained, it would be towed within 48 hours. I included my police division, ID# and name, as well as the registration number of the vehicle, it's VIN number, the location of the auto and the date and time the notice was issued on the notice.

On Sunday, August 7th, I returned to Aquidneck Street and found that the vehicle was still at this location. Sergeant Dean Fredericks authorized a police tow, and Jack's Autobody arrived to remove the vehicle. There was damage to several areas on the car and photos were taken and attached to this report prior to the vehicle being towed.

A letter was sent to the owner via certified mail indicating the date the vehicle was towed and the name address and telephone umber for the tow company.

Respectfully Submitted,

Detective Gregory Sirois #3740

Sir,

On July 4, 2012, The undersigned was assigned to unit 35A. On the above date and time I was dispatched to the intersection of Cherry Tree Lane and Bryant lane on a disturbance. Communications advised me that there was a complainant on scene stating that there is a black male wearing a white shirt, white hat, with a firearm tucked into his waistband.

Upon my arrival, Gang unit officers were already on scene and began interviewing the following parties, [REDACTED]

[REDACTED] these parties stated that just before our arrival an older male approached them in a vehicle and began arguing with them. They further stated that the male became irate and eventually left the scene.

The undersigned conducted a warrant check on all parties involved, the status returned negative. All parties were searched for weapons, none of the above individuals possessed any weapons. The undersigned requested a field interview number documenting the incident and cleared without any issues.

Respectfully Submitted,
Ofc. Jorge M Santos #4002

On the above date and time I Det Sylvia and Det Fonseca were assigned to NBPD gang unit. While patrolling the Madeira Feast grounds we observed the following males congregating on the corner of Madeira Ave and Earle St. The males were identified as [REDACTED]. These males then made their way to the least grounds and we ended losing site of them.

[REDACTED] are all validated Blood gang members. [REDACTED] had been recently validated as a Blood gang member. They've been observed with known Blood gang members, we've received information from reliable confidential informants of their affiliation and we've come into contact of pictures of [REDACTED] displaying Blood hang gangs signs. I also know [REDACTED] to be a runaway child. We were unable to locate this male and have him returned. He's a runaway from the Star program located at 106 Bullard St.

I am also aware the [REDACTED] are not to be in contact with known validated gang members. I know [REDACTED] is not to be particularly in contact with [REDACTED] based on a fir 12-100-FI. This information was relayed to me by probation department at Superior Court.

A copy of this FIR will be forwarded to Superior Court probation regarding [REDACTED] and another copy be sent to [REDACTED] DYS case worker.

While working the Jag Grant#2168 on July 15,2012 at 23:50, Detective Trinidad and I observed a large group congregated outside of 198 Chancery Street.

This area is a known high crime area where several shootings and drug related arrests have taken place. A large group with several known gang members had gathered. During our beat we had stopped and warned this group not to congregate on the side walk and to disperse. The group acknowledged and we left the area. At approx. 01:40 Detective Trinidad and I observed the same group containing the same individuals congregated again out side of 198 Chancery Street, this time, Detective Trinidad and I approached this group. As we approached this group, they began walking off in a hurry. Detective Trinidad and I then approached [REDACTED] who was amongst the group. I immediatly pat frisked [REDACTED] prior to speaking with him. Det Trinidad observed a silver knife hanging from the front of the inside of his shorts. The knife was seized due to the city ordinance of having a knife over 2 1/2 inches. as the group dispersed they were again warned. Det Trinidad also located a switch blade on the ground by where the group was standing.

Respectfully Submitted,
Detective Bryan Oliveira
