- **Welcome/Introductions**
  - Andrew commenced meeting at 10:10am
  
- **FY16 Abstract Prioritization**
  - 11 total intel abstract submitted
    - Majority are hardware/software related
  - Initial review of all abstracts received.
  - Withdrawal of digital video cameras submitted by Chelsea in the hopes that current cost savings can procure.
  - Withdrawal of regional data analysis capability by David Carabin as it would not be considered a priority.
  - Cancellation of Digital Forensics Vehicles abstract as it would not be grant allowable. Vehicles for this purpose would not be considered prime movers.
  - The subcommittee chose to combine the Blackbag Technologies, Fatpot maintenance, and computer equipment abstracts into the overall hardware/software abstract.
    - Request to Steve Donahue re Blackbag (is it a one-time purchase or ongoing service. This will determine if we can use expiring funding)
  - Social Media Power User abstract combined with the overall Social Media Analytics abstract.
  - Listing of prioritized abstracts and subcommittee recommended amounts:
    - Intel Analysts (Priority A – must be funded although amount up for debate) - \$1,650,000 (detailed list of all analysts provided showing this amount covers a year's worth of service including potential OT)
    - Hardware/software - \$474,000
      - Itemized list includes:
        - Online Public Records Database (CLEAR)
        - CovertTrack Stealth Trackers
        - GPS Intel Devices
        - CaseInfo/CrimeNtel
        - Microsoft SQL Server
        - MSDN Visual Studio
        - Cellebrite
        - Paraben
        - Antivirus Software
        - IBM i2 Analysts Notebook

- CrimeView Dashboard licensing
- NetAbstraction
- BRIC Shield Website
- Networking Services Contract
- SITE Intel Group Monitoring Services
- Fatpot
- Link Analysis Software
- Covert Cameras
- Computer Equipment/Mobile Devices
- Fixed Location License Plate Readers (Quincy and Chelsea) - \$85,000
- Surveillance Tech Upgrade - \$40,000 (reduced from \$60,000)
  - Cambridge has used these cameras recently. Need more units to keep up with regional demand per Harry Cataldo.
