Good Morning Emiliano,

I looked through my own email and found an email that I received from a third party list that I am on. I initially overlooked the email, but after reading it again I realized that it was an ad for Clearview AI.

I have attached the email above per your records request. Finding this email prompted me to dig deeper and I found that many members of the department received this exact same email. Could you please let me know if the one email from me will suffice or do you need a copy of every email sent to all of the individual officers that received one?

Best,

Sgt. Norman J. Todd

Thank you!

Did you conduct a search of the emails to see if any member of the PD received any emails from the company Clearview AI? This company sometimes email police officer individually.

Thanks!

Stay safe and healthy.

Best,
Emiliano
