Sir,

FYI [REDACTED] will be doing some additional maintenance on the facial recognition system this Saturday, May 13, for an hour and a half between 0600 and 0730. The system will be down during this period.

Respectfully,

No worries at all. I wasn't expecting to get anything this soon anyway. I appreciate the help and thanks in advance for the registration.

Connor

Sorry for the delay, on facial Rec we didn't get any hits. The pics were tough with our system. I'll get the registration info tomorrow when I get back into the office. Again, sorry for the delay been a busy two days.

Good Afternoon,

I appreciate the assistance. I doubt that these pictures will work or help, but I figured I'd send them just in case (these are the best ones I could get from the various sources' recordings).

This unknown male drives [REDACTED] [REDACTED] see attached registration).

Thanks again, I appreciate the help! Let me know if you need anything from me.
