Hi 7c.f

For some reason, I did not get this email on the conference. I did forward it to me and I'll completing the form and submitting it once 7c.f approves the training day.

I think I may have gotten bumped of your email list. If so, could you put me back on there?

Thanks

Hi 7c.f

You haven't been bumped from the distro list. I just sent this out yesterday afternoon to 7c.f my email system can only transmit mass emails one group at a time, or it will crash. You will get another email sometime today when I send to my regular IAWG list.
