Re: Public Records Request

Dear Ms. Gewaily:

The Executive Office of Public Safety and Security (EOPSS) received your public records request on June 3, 2015, seeking records regarding, generally, FirstNet and the Commonwealth's Public Safety Broadband Office. Please be advised that we are currently working on a response to your request and will send you a complete response as soon as we are able.

Please be further advised that EOPSS may send you a good faith estimate for the cost of producing any responsive records and that any response will be subject to the exemptions described by G.L. c. 4, § 7. Thank you for your inquiry.

Sincerely,

A handwritten signature in cursive script that reads "Shannon C. Hickey".
