RE: Public Records Request

Dear Attorney Rotolo,

The Department is in receipt of your public records request for information relating to the Northeastern Massachusetts Law Enforcement Council (NEMLEC). Enclosed please find the contributions made by the Department to NEMLEC in the form of annual membership fees. Additionally, the membership fee for 2014 is currently being processed. It is my understanding that the Department does not have a Memorandum of Understanding or Agreement with NEMLEC and the Department has not received any equipment or funding from NEMLEC during the requested time period.

If you have any additional questions, please do not hesitate to contact me. Thank you.

Sincerely,

Amanda E. Wall
Director of Support Services
Lawrence Police Department
