Memorandum of Agreement (MOA) for Use of BAPERN Control Station Equipment**

Section 1.0 Parties

- (a) This document constitutes an agreement between the Boston Mayor's Office of Homeland Security and Emergency Management (MOHSEM) and the Town of Brookline.

Section 2.0 Purpose

- (a) Background: In the aftermath of September 11, 2001, the United States Department of Homeland Security (DHS) initiated the Urban Area Security Initiative (UASI) to address homeland security issues on a regional basis. UASI identified communications interoperability, the ability of public safety agencies to talk across disciplines and jurisdictions, as a priority for the nation.
- (b) Purpose: The purpose of the MBHSR Public Safety Communications Interoperability Memorandum of Agreement is to ensure that equipment purchased by MOHSEM for the Town of Brookline is used continuously for the purposes of enhanced communications interoperability. This document allows for that use and defines the policy for any requested changes.

Section 3.0 Principles

The Parties will abide by the following principles:

- (a) The equipment outlined in Attachment A (BAPERN Control Station Equipment List) will be programmed with four BAPERN channels for the purposes of enhanced BAPERN control station capability. These four channels will be comprised of BAPERN 3, BAPERN 4, BAPERN Central, and the jurisdiction's current district BAPERN channel. In addition, this equipment will not be reprogrammed by the indicated jurisdiction without written consent from MOHSEM.
- (b) A written request may be submitted to MOHSEM for alternate use of the equipment. The request will be reviewed within sixty (60) days and approval is at the discretion of MOHSEM.

Section 4.0 Period of Agreement and Modification/Termination

- (a) This Agreement will become effective as to each party hereto upon the party's execution of this agreement. The Agreement will not terminate, but will extend through the life of the equipment and may be amended at any time by mutual agreement of the parties.

Section 5.0 Non-Fund Obligating Document.

- (a) This instrument is neither a fiscal nor a funds obligation document. Any endeavor or transfer of anything of value involving reimbursement or contribution of funds between the parties to this instrument will be handled in accordance with applicable laws, regulations, and procedures or other existing applicable memorandum of understanding or agreement.

Section 6.0 Signatories
