Re: FY'04 Homeland Security Grant (\$1,635,480.00)

Dear Ms. Duggan:

Colonel Robbins has forwarded to me your April 6, 2005 letter announcing the Commonwealth's intention to award the Massachusetts State Police \$1,635,480.00 in FY'05 State Homeland Security grant funds.

This grant funding shall be used to procure products and services that support the completion of the Massachusetts State Fusion Center. The budget for this project has been previously submitted to the Executive Office of Public Safety and as reported, is presently under review.

In accordance with finance protocols, I am returning an executed copy of the Interdepartmental Service Agreement to you. Once you have executed the ISA please return a copy to me for my records.

In advance thank you for your continued assistance with this project of mutual importance.

Sincerely,

  
John F. Flynn  
Chief Administrative Officer
