Re: Public records request #130408

Dear Ms. Crockford:

I am writing in response to your letter dated April 4, 2013. I acknowledge your payment of \$71.25 as to the above-captioned public record request. Enclosed you will find a disc that contains documents responsive to your request. These documents are numbered in accordance with the numbers on your request so that it is clear which request they are meant to satisfy. Please note that where there was no record as to the issuance of subpoenas, a spreadsheet is included that appears blank.

Regarding your request number 4, this office does not consistently track the particular offenses or category of offense which are the subject of ongoing criminal offenses justifying the issuance of a § 17B subpoena. Furthermore, regarding your request number 7, this office has some records as to the common carriers or services providers to which subpoenas were issued. *I have provided you with the information a currently have in response to these request.*

Please contact me at your convenience should I be able to offer further assistance to you regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Allison Callahan".
