

You are invited to a

SecureMA Coalition Intelligence Briefing for Nonprofits, Small Businesses, and Local Government

Hosted by Cybereason, a global cybersecurity firm headquartered in Boston, Massachusetts.

When: 12:00 PM, Wednesday, October 25

Where: Cybereason HQ

200 Clarendon Street, Boston, MA 02116 (John Hancock Tower)

Cybereason is hosting its first intelligence briefing following the launch of SecureMA - a statewide initiative to bring together small businesses, nonprofits, and local governments to raise awareness and share best-practices to address cybersecurity threats. The briefing will include:

- Ø Remarks from former Boston Police Commissioner and SecureMA Honorary Chair Ed Davis.
- Ø Analysis and briefing from Cybereason CISO Israel Barak on the current cyber threats impacting small and medium sized organizations.
- Ø Opportunities to discuss issues and ask questions relevant to your organization with top cybersecurity experts.
- Ø A demo of RansomFree™ - free software available to help organizations protect against Ransomware attacks.

Join the SecureMA Coalition by signing up at
