Importance: High

In 2015, MassDOT Highway will spend \$1.5 billion dollars to maintain statewide roads and bridges. More projects will take place in 2015 than any other year of this decade. As a result, MassDOT is looking to find interested, DBE-certified firms for these projects, including businesses in construction, design, professional services, IT, materials, goods, and other services.

To make this happen, MassDOT has partnered with Next Street for a three-part workshop series to provide small to mid-size firms the chance to learn how to leverage this opportunity. See links below

Top 3 Reasons to Attend

1. Improve your chances of securing a contract with MassDOT Highway
2. Build more capacity to take on bigger contracts
3. Fast-track the implementation of a custom strategic growth plan

How to Apply

The program is free and space is limited to ~15 companies to ensure maximum engagement with the expert team of advisors. To apply, visit: <http://tinyurl.com/MassDOT-DBE-App> or contact Lynn Wahlquist at 617-312-1361 or register@nextstreet.com

Please let me know if I can assist further.

Please be advised that the MBTA has posted an industry Request for Information and a power point presentation relating to the Green Line Extension Project at the following link:

http://www.mbta.com/business_center/bidding_solicitations/current_solicitations/

The MBTA is currently engaged in a review of the GLX Project to address scope and affordability issues related to the GLX Project as well as possible alternatives to the current CM/GC project delivery method. A part of the review of available project delivery options includes this Request for Information (RFI) seeking input from the industry regarding future project delivery of the GLX Project.

BID CANCELLATION NOTICE

September 16, 2016

Attention all potential bidders,

This serves as notification of the Massachusetts Bay Transportation Authority's decision to cancel its invitation to bid for MBTA Contract No. G65CN01-Haverhill Line Improvement Project Wilmington Junction to Lowell Junction, Andover, MA.

The MBTA has determined that it would be in its best interests and the public interest to cancel the solicitation and reject all proposals. This decision is made in accordance with Section 00200 Section 1.14-Consideration of Bids, within the proposal documents and as stated in the Notice to Bidders, in which the Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be in the best interest of the Authority.

Thank you for your interest in doing business with the MBTA.
