Hi Emiliano,
It's an Adobe portfolio and should be able to open it with Adobe Reader (it's the easiest way to share emails directly from the Outlook data file). I saved each of them as Word docs too in case it still wouldn't work with Adobe.
Take care,
Phil

Hello Phil,
Thank you for this. It seems that you attached only an Adobe logo! Sorry about that. Can you send me the answer?
Thanks!
Best,
Emiliano
