Emiliano,

I did check with our Town's IT Director prior to replying to your records request, however it appears there may have been confusion on my end as far as what met the criteria of your request. I have included his updated response to me as well as a PDF of what was found. Take a look and if there is anything else you need or if you feel other search criteria can be used let me know.

Thank you.

Did you search the emails to see if Clearview AI or other facial recognition company send solicitations to individual members of the PD?

Thanks.

Stay safe and healthy.

Best,
Emiliano
