Subject: Re: ACLU Public Records Request

Good Afternoon,

This email is being sent in response to your request for Public records.

After researching your request I have found the following .

The Abington Police Department has no records pertaining to

1. All communications, including text messages and emails, between or among any staff member or representative of the police department and any representative of any company that manufactures or sells any facial recognition product, including but not limited to Clearview AI;
2. All internal communications, including text messages and emails, referencing any

company that manufactures or sells any facial recognition product or service, including but not limited to Clearview AI;

3. Records evidencing or describing any existing or potential relationship between the police department and all companies that manufacture or sell any facial recognition product, including but not limited to Clearview AI. These records include but are not limited to MOUs, purchase orders, RFPs, licensing agreements, invoices, non-disclosure agreements, project proposals, and other contracts;

4. Records referencing the operational effectiveness or accuracy rate of any of facial recognition service or product. These records include but are not limited to e-mails, handouts, PowerPoint presentations, advertisements, audits, and specification documents;

5. Training materials related to facial recognition products or services;

6. Policies and procedures pertaining to the use of facial recognition products or services, or the data they produce; and

7. Records relating to any public process, meeting, or debate about any facial recognition products or services. These include but are not limited to meeting agendas or minutes, public notices, analyses, and communications between the police department and elected officials.

If you have any further questions please don't hesitate to contact me.

Thank you
