The Chief is the only individuals with the authority to approve or enter into any kind of contract with this company. If a Police Officer were to receive an email of this nature they would have forwarded it to the Chief. He did a search of his own email and there were known. In order to do a Department email search I would need to make that request through our Information Technology Department and will contact them so that I may prepare an estimate for you.

Thank you,
Colette M. Williams, CMC/CMMC

Thank you, Colette.

Did you conduct a search of the emails to see if any member of the PD received any emails from the company Clearview AI? This company sometimes email police officer individually.

Thanks!

Stay safe and healthy.

Best,
Emiliano
