Emiliano,

Upon receiving your last email, I was confused how you had a record of sending that to me and I didn't. I looked in the deleted folder

and there it was, my apologies.

As for your recent query, yes, I looked, nothing on record.

Thank you.

Did you ask the Police Department to see if they received solicitations from any of the companies we mention in the request?

Thanks!

Best,

Emiliano

Mr. Emilian Falcon,

I'm taking at face value that you had sent a copy of your request somewhere in the City, so with that in mind I

am sending you an immediate response to your request.

If there is anything else I can do for you and/or your agency please feel free to reach out.

Hello Paul,

Thank you for the email. I am not sure why you are forwarding me this answer to a request we made last year. I was following up with the request we sent on February 14. Please see attached.

Best,

Emiliano

Hello,

Thank you for your answer. Did you search emails to see if Amazon, or any Amazon employee or agent, tried to contact or solicit you or any member of the police department?

Thank you very much.

Best,

Emiliano
