Hi! Thank you for the prompt response.

Yes, any email that comes from Clearview AI or other facial recognition company. I guess that using the search term "facial recognition," and "Clearview AI" would suffice for now! I can follow up if I need something else later!

Thank you!

Stay safe and healthy.

Hello,

No, we did not. Can you let us know what we should be looking for? Time frame? Email addresses, etc? Anything that can help us out please?

Thanks,  
Mariana

Thank you, Mariana.

Did you make a search on the emails to see if the company reached out to police officers individually?

Stay safe and healthy.
