The Nantucket Police Department never received this request. Reviewing your attachment, it looks like the ACLU has used a de-activated email address to make their purported request. As you have probably seen from your inclusion of recordsrequest@police.nantucket-ma.gov in your email, you will get a bounce back as it is invalid. The correct email address for any Town of Nantucket requests is:

https://www.nantucket-ma.gov/920/Public-Records-Requestv%2f920%2fPublic-Records-Request&c=E,1,0WhAdA75pvKq3E2bklklzxtHhxpt-OGwwEP1msymU7mKlmKmmDW-xklD_VoUf8n4Xr1o23p8l0SQmGCu6iUBnHMuxr03vW6s5DnJVszv&typo=1 and this will link the correct Department. This information is readily available on the Town website. I am also not sure of what “multiple follow ups” mean as I am the records access officer for the Department and I have never seen this request before.

Now to the ACLU request....

This request includes but is not limited to the following records created on or after January 1, 2019:

1. All communications, including text messages and emails, between or among any staff member or representative of the police department and any representative of any company that manufactures or sells any facial recognition product, including but not limited to Clearview AI;
2. All internal communications, including text messages and emails, referencing any company that manufactures or sells any facial recognition product or service, including but not limited to Clearview AI;

The Nantucket Police Department has not had any communications of any type with any facial recognition product nor are there any internal communications referencing any facial recognition product from any manufacturer.

Thanks
