We don't have any information on file to give you. No one in this department has had any solicitations for this product.

Thank you for the email.

Please note that the request also asks for communications or solicitations from third parties offering facial recognition products or services. It does not matter if they were answered by any member of the police department.

Thank you,

Best,

Eiliano

According to our Chief's Office we have never had contact or plan on having contact with any facial recognition companies.
