Yes, none of my two detectives; who would have been the only two to use this, had any contact with or documentation with this product.

Subject: Facial Recognition records request

Sir,

This department does not own or maintain any equipment from the Clerview AI Corporation. To the best of my knowledge and belief we have had no contacts, e-mails, memos or phone calls with respect to Clearview AI. Furthermore this department does not have any policies or procedures with respect to "Facial Recognition" usage.
