Emiliano,

The only 2 emails that are broadcast as public are mine (this one) and the Police Clerk. Yes, both of those were searched. The other 3 Officers who have emails issued by the Town do not have them listed anywhere online. While they may interact with members of the public via their Town email, neither of them notified me of any possible product or software.

I also do not have access to their emails to conduct a search.

Thank you,

Erik

Thank you, Chief.

Did you make a search on the emails to see if the company reached out to police officers individually?

Thanks.

Stay safe and healthy.

Best,  
Emiliano

Emiliano Falcon,

I received your Public Records request from the Sunderland Town Clerk. We do not have any facial recognition software or devices. Please find my response to your public records request attached.

Thank you,

Erik
