Emiliano,

We do not entertain telemarketing calls and any information that is received by mail is immediately discarded, as our department has no interest at all in any facial recognition products.

Thank you,

Thank you!

Did you search if you or any member of the PD received any solicitations?

Emiliano,

Please be advised that the Wareham Police Department does not use any facial recognition software, nor do we have any plans to do so. We have had no communications with Clearview AI or any other company that manufactures facial recognition products.

If I can be of any further assistance, please let me know.

Thank you,
Cassandra Cassidy, Administrative Assistant
