Good Morning Vince,

Yes, I did sign up for a test account, but it never went further than that. I found it to be pretty much useless. This is an email I received back from them after the trial. I never responded back to them as I didn't feel the program would have benefit to this department.

Thanks

Lt. Dan Bonafilia

Hi, and thank you for your interest in Clearview. You have active test accounts with Clearview. We hope you that you tested the technology through a web browser on your computer/laptop (log in thru <https://app.clearview.ai/app/login>) and the mobile app. Additionally, if there are any other officers that would like a demo account just send us names and email addresses and we will set them up.

In order to continue with the pilot program, we must also complete the following:

- * Provide your full contact information, rank/title and division of law enforcement (typically your email signature block will suffice).
- * Provide verification that the agency has approved the testing of Clearview and provide the name and contact information of the superior involved with this pilot.
- * The agency must designate at least one administrator who will have the ability to monitor and manage the users.
- * The agency must have at least one representative (preferably at least the administrator) participate in a brief webinar. We provide

these on a regular basis or we can schedule one at a time convenient to your agency. This will help the agency's users understand the utilities and best practices when using our technology.

* When the 30 day trial is over we will need to discuss the best package for your agency or termination of the pilot.

Stay Safe and we look forward to working with you.

Jess
