I did a search of my emails and there was nothing from this company. I block most vendors to spam
Again I can have IT do a full scan if you would like, but there will be a cost involved. Please let me know your wishes.

Thank you, John.

Please note that the request also includes any solicitation or emails the Police Department received, without regards to if they were answered by someone.

Thanks.

Best,

Emiliano

I am in receipt of your email. We have had no such contact with this company or any other company dealing with facial recognition.

If you still need a full report and the research that goes along with it we can do this, but we will not waive any fees.
