Hi, and thank you for your interest in Clearview. You have active test accounts with Clearview. We hope you that you tested the technology through a web browser on your computer/laptop (log in thru <https://app.clearview.ai/app/login>) and the mobile app. Additionally, if there are any other officers that would like a demo account just send us names and email addresses and we will set them up.

In order to continue with the pilot program, we must also complete the following:

- Provide your full contact information, rank/title and division of law enforcement (typically your email signature block will suffice).
- Provide verification that the agency has approved the testing of Clearview and provide the name and contact information of the superior involved with this pilot.
- The agency must designate at least one administrator who will have the ability to monitor and manage the users.
- The agency must have at least one representative (preferably at least the administrator) participate in a brief webinar. We provide these on a regular basis or we can schedule one at a time convenient to your agency. This will help the agency's users understand the utilities and best practices when using our technology.
- When the 30 day trial is over we will need to discuss the best package for your agency or termination of the pilot.

Stay Safe and we look forward to working with you.

**Subject:** Can you get to 100 searches with Clearview?

Hi Christopher Leduc,

Your Clearview account has **unlimited** searches. Don't stop at one search. Or ten. **Try to reach 100 searches with Clearview.**

Investigators who do 100+ Clearview searches have the best chances of **successfully solving crimes** with Clearview in our experience. It's the best way to thoroughly test the technology. You never know when a search will turn up a match. It only takes 1-5 seconds to find out with Clearview, unlike other facial identification systems.

The more searches, the more matches. It's a numbers game. The investigators who search the most are the investigators who solve the most cases. Our proprietary database is the biggest in the world and gets bigger every day. Every new day means more potential results from Clearview.

Feel free to reach out to if you have any questions, comments, or feedback. Just reply to this e-mail or contact [help@clearview.ai](mailto:help@clearview.ai)

Best regards,

—Team Clearview

**Subject:** How to use Clearview

Hi Christopher Leduc,

You should have a setup email in your inbox shortly. It only takes one minute to install and start searching.

Here are three important tips for using Clearview:

1. **Search a lot.** Your Clearview account has **unlimited** searches. Don't stop at one search. See if you can reach 100 searches. It's a numbers game. Our database is always expanding and you never know when a photo will turn up a lead. Take a selfie with Clearview or search a celebrity to see how powerful the technology can be.
2. **Refer your colleagues.** The more people that search, the more successes. We want to make this advanced technology available to as many investigators as possible. If you think your colleagues might want to try Clearview out for themselves, just send their names and e-mail addresses to help@clearview.ai and we'll sign them all up too.
3. **Get Clearview for the long haul.** If you like Clearview at the end of your trial period and it's helping you solve cases, put us in touch with the appropriate person at your organization who can proceed with procurement.

Feel free to reach out to if you have any questions, comments, or feedback. Just reply to this e-mail or contact help@clearview.ai

Finally, please note the disclaimer at the bottom.

Best regards,

— Team Clearview
