Good Afternoon Mr. Falcon.

The City of Marlborough is in receipt of your Public Records Request dated 2-14-20 regarding facial recognition.

Would you kindly consider granting a brief extension to the City in order to respond to this request? We have had our IT department search our Police Department's email accounts and as of today, I am going through the emails in order to extract what may be responsive to your request. It is taking a bit more time than expected based on the how I must view each email through our outlook system.

If you would please grant us a 5-day extension to respond that would be greatly appreciated.

Thank you.
