Good Afternoon Mr. Falcon,

I have received and review your records request. We do not

currently use Clearview AI or any other facial recognition companies or products. We have been involved in webinars that show the advantages of these types of products. I have attached the three (3) email exchanges relating to these for your review. Otherwise, we do not have any other records relating to your request. If you have any questions, please call or email me.

Sincerely,

Frederick M. Ryan
