How it works

Clearview is like Google Search for faces. It only takes **one** photo of a suspect's face, **one** quick tap on your cell phone or computer, and **one** second of search time. Get results from mug shots, social media, news articles, and other publicly available sources.

Clearview combines the world's **most accurate** face search technology with the **single largest** proprietary database of facial images from open sources **worldwide** to help you ID a criminal suspect in an instant.

It only takes **one** minute to install and you can start searching immediately. Just click the button below to start your 30-day free trial with unlimited searches - no strings attached.

Available on iPhone, Android, and Desktop

Clearview can find matches even if a suspect grows a beard, wears glasses or headwear, appears in low light or at odd angles, or even if they're in a group photo. It's no wonder Clearview's accuracy rate is **above 98.6% — #1 worldwide**.

Over 600 law enforcement agencies nationwide are already using Clearview to solve crimes and save lives, ranging from local police departments to state troopers to federal agencies. Our technology has enabled law enforcement to:

- Break up an online child pornography ring and rescue a 7-year-old girl
- Crack a 32-year old unsolved homicide case
- Bust a multi-million dollar credit card fraud operation
- And solve hundreds of other cases across the country

[Sign up now](#) for a **free 30-day trial** with **unlimited searches** and test this cutting-edge technology for yourself. No strings attached.
