Hi, and thank you for your interest in Clearview. You should have an email from Team Clearview with your account activation link. We encourage you to test the technology through a web browser on your computer/laptop (log in thru <https://app.clearview.ai/app/login>) and the mobile app. Additionally, if there are any other officers that would like a demo account just send us names and email addresses and we will set them up.

In order to continue with the pilot program, we must also complete the following:

- Provide your full contact information, rank/title and division of law enforcement (typically your email signature block will suffice).
- Provide verification that the agency has approved the testing of Clearview and provide the name and contact information of the superior involved with this pilot.
- The agency must designate at least one administrator who will have the ability to monitor and manage the users.
- The agency must have at least one representative (preferably at least the administrator) participate in a brief webinar. We provide these on a regular basis or we can schedule one at a time convenient to your agency. This will help the agency's users understand the utilities and best practices when using our technology.
- When the 30 day trial is over we will need to discuss the best package for your agency or termination of the pilot.

Stay Safe and we look forward to working with you.

Thanks,

Sarah Kathryn

Hi. You should have an email soon from Team Clearview with your account activation link. Once you activate your account, I encourage you to test the technology on your desktop and the mobile app. If you would like to have a webinar to walk thru demos, learn about its utilities and ask question, just let me know. Additionally, please send names and emails for any other officers that would like a demo account and I will set them up right away. Please do not hesitate to contact me with any questions. I look forward to working with you.

Hi everyone. I really need the agency to designate an administrator for this Clearview pilot. The admin will be able to monitor the usage and add test users. There is no limit to test users and no limit on number of searches. Also, I am hosting a webinar Friday (12PM ET) and Tuesday (10:30AM ET) -Details Below. Most agencies find these very helpful. Feel free to join either of them.

Time: Mar 27, 2020 11:00 AM Central Time (US and Canada) 12PM EDT
