Hi David Massi,

You should have a setup email in your inbox shortly. It only takes one minute to install and start searching.

Here are three important tips for using Clearview:

1. **Search a lot.** Your Clearview account has **unlimited** searches. Don't stop at one search. See if you can reach 100 searches. It's a numbers game. Our database is always expanding and you never know when a photo will turn up a lead. Take a selfie with Clearview or search a celebrity to see how powerful the technology can be.
2. **Refer your colleagues.** The more people that search, the more successes. We want to make this advanced technology available to as many investigators as possible. If you think your colleagues might want to try Clearview out for themselves, just send their names and e-mail addresses to help@clearview.ai and we'll sign them all up too.
3. **Get Clearview for the long haul.** If you like Clearview at the end of your trial period and it's helping you solve cases, put us in touch with the appropriate person at your organization who can proceed with procurement.

Feel free to reach out to if you have any questions, comments, or feedback. Just reply to this e-mail or contact help@clearview.ai

Finally, please note the disclaimer at the bottom.

Best regards,

— Team Clearview
