Hi David Britt,

Have you tried taking a selfie with Clearview yet? See what comes up! It's the best way to quickly see the power of Clearview in real time. Try your friends or family. Or a celebrity like Joe Montana or George Clooney.

Your Clearview account has **unlimited** searches. So feel free to run wild with your searches. Test Clearview to the limit and see what it can do. The photos you search with Clearview are **always** private and **never** stored in our proprietary database, which is totally separate from the photos you search.

You can get Clearview on your iPhone or Android cell phone by clicking "Get Mobile App" on the left-hand side of the screen when you're logged in to Clearview on desktop.

To log in to Clearview on desktop just click the button below:
