Atty. Falcon-Morano,

In an effort to further assist you with this request, I had the detective attempt to log back into the account. It was still accessible. We generated a record we did not have in our possession at the time of your request. He was able to print their records *as they relate to this department* and the case that was in question. This is currently an open fraud investigation as we attempt to identify several individuals. As you will see, several suspect photographs were submitted to Clearview AI. My Detective is open to a phone call from your office. Detective Kevin Lebreton - 508-987-0156.

Sincerely,
Chief Saad

Hello Anthony,

Thank you for this email. It looks like someone from the PD used a trial of the product. Can you send me all the records pertaining to the use that person gave to the app?

Thanks.

Best,

Emiliano

Mr. Falcon,

I have attached any and all correspondence that this department has had with Clearview AI. No other correspondence exists with any other company regarding your records request. You will see email correspondence between a Clearview representative and Detective Lebreton. According to my detective, he reached out to Clearview and the email began on January 17th, 2020. The last email was sent on March 3, 2020 regarding a webinar. Clearview never got back to him. As of this date & time, the department is no longer in contact with them.

Sincerely,

Anthony P. Saad
