Subject: Re: Hikcentral LPR searches

Max,

What version of HikCentral is he using? Are the LPR cameras connected to an NVR?

Regards,

David Oleksy

Team,

A question regarding Hikcentral LPR search module coming from the Police Department (email below).

Please advise.

Thank you

Subject: searches

Max,

In one of the search videos on youtube is shows when you are searching a plate in picture or video mode the software displays a "previous" and "next" button. This would show the next vehicle or plate that passed, would be very helpful. My current software doesn't have these two options. Any suggestions?

Thanks

Vic
