Max,
When you get a change or are in the area can you stop in for a quick minute. I need you to download the software created for WBPD and what it does.. I attempted to locate but only found HikCentral Client v1.3.1 Let me know hope all is well

Vic

Hi Victor,

Sure! Just travelling between VT and ME this week (leaving right now) for our distributor road show.

FYI - I'm booked solid till March 8th **BUT** if I can move some meeting I'll be there next week or, at maximum (worst case), March the 11th (I'll save this day on the calendar now just to be safe).

Of course I'll do all my best to stop there ASAP. Due to extensive travel this month (company internal meeting and distributor road show) I've accumulated tons of customers on the waiting list…but for you I'll find a short cut.

Thank you for your patience Victor.

RE: Download

We can help you with the download . Please tell me what you are looking for and I will come by and take care of it for you. It should not be a big deal.
You have a specific software package for WBP ? Give me some info ...
